OM BRASS INDUSTRIES

Mastering ANGLE VALVES

THE LARGEST MANUFACTURING OF ANGLE VALVE IN INDIA

OM BRASS INDUSTRIES

PROFILE

Incepted in the year 1999, we "Om Brass Industries" are engaged in manufacturing a wide assortment of Brass Tap Handles, Sanitary Tap Handle, Angle Valve and Angle Cock. Situated at Jamnagar (Gujarat, India), we are a Sole Proprietorship company and manufacture these products as per the set industry standards. Managed under the headship of "Mr. Paresh Patel" (CEO), we have achieved a significant position in this sector.

Contemporary designs of fittings have witnessed exponential growth during the recent years. To add beauty to different bathroom settings, we "Om Brass Industries" bring an innovative and affordable range of Brass Sanitary Fitting and Brass

Bathroom Fitting. We specialize in designing and developing the products that can make a significant difference to one's sense of well-being. Our products are as per the specifications mentioned by the valuable clients to create a luxurious and modern look for different styles of bathrooms. With our constant efforts to meet clients' expectation of optimum quality products, we have gained a strong foothold in the market. Our products are highly applauded in the international markets for their excellent designs, aesthetics, quality and finish. Further, we are a proud member of J.F.O.A., owing to our capability and flexibility to
